

Dura Wash Advanced Wash Concentrate

USE IN AUTO, TRUCK, MARINE, MOTORCYCLE, OFF ROAD, AND FARM.

Dura Lube, Dura Wash is an Advanced Auto Wash Renewer.

Dura Wash is a perfect match with Dura Shine Advanced Auto Polish. It deep cleans without harsh detergents and renews the shine and protection of waxes and polishes.

Regular use of both Dura Wash and Dura Shine will help maintain a showroom shine longer.

Contains no harsh chemicals or silicones. It's Perfect for clear coat finishes.

Dura Wash is easy to use, just add 2 ounces of Dura Wash to 1 gallon of water. Saturate a soft cloth and wash the entire vehicle. Simply rinse with water from a garden hose and allow to dry.

No hand drying required. Rinse and forget it.

Dura Wash contains no harsh chemicals or Silicones and leaves no after streaks or water spots.

It deep cleans removing contaminants without removing the Dura Shine or other wax and polish protection.

Dura Wash is concentrated, a little goes a long way. One 32 ounce is good for up to 16 car washes.
